Submitted to His Highness.

The work of the Economic Conference has now reached a stage in which it has become necessary to provide it with a proper unifying agency in order to co-ordinate the work of the three Committees and to watch the development of the various schemes relating to the economic improvement of Mysore, which have been drawn up by them. The work to be now done is chiefly constructive. Technical Education has to be placed on a firm basis and Sericulture has to be developed. The spheres of activity of the various Committees have to be widened, and greater impetus given to local efforts towards material and moral progress. The District Committees, which at present exist merely in name, have to be placed on a thoroughly business footing and given definite work to do. It is also necessary to stimulate self-help and enterprise in the taluks and moffusil municipalities by creating Progress Committees in them. The organization of the Conference requires the services of a full-time competent Secretary who could give his undivided attention to the work.

2. The Secretary has to deal with high officers of Government. He has to travel much and keep himself in touch with the work all over the State. He should be an officer of rank and experience, so that the President of the three Committees may look up to him for initiative. Mr. K. Subba Rao, the present Provisional Secretary, has shown much commendable zeal and energy; but as his permanent appointment is only that of an Assistant Commissioner, he is not able to command as much attention as the position of the Secretary requires. It is necessary, therefore, to replace him by an officer

a higher status.

3. I have considered carefully the question of the choice of a suitable Secretary and have also consulted the Councillors who agree with me that Mr. C.S. Balasundaram Iyer, Officiating Deputy Commissioner, Tumkur District, is a very suitable officer. He acted for nearly three years, with credit, as General and Revenue Secretary and has also shown himself to be a capable Deputy Commissioner.

4. Mr. Balasundaram Iyer whom I consulted has agreed to accept the post. He however requests that Government may be pleased to grant him the following terms:-

(1) The pay of the appointment to be Rs.800 for the 1st year, Rs.900 for the 2nd year and Rs.1,000 for the 3rd year.

(2) That in addition to the pay, there should be a local allowance of Rs.200 per mensem attached to the post.

(3) That in regard to travelling allowance and other matters, he should have the status of a Deputy Commissioner.

(4) That his place in the general line should not be affected and that he should be confirmed as Deputy Commissioner when his turn comes in the usual course.

(5) That at the end of 2 or 3 years, he should have the option of reverting to his regular duties.

5. Both the Councillors and myself consider thes terms as reasonable. Mr. Balasundaram Iyer is, in his present appointment, entitled to a salary of Rs.800

Order thereon No. G. 5230-83

No. 32 ..... Dated, Bangalore,

3 -1913.

The work of the Economic Conference which was inaugurated in May 1911 has hitherto been carried on with a Provisional Secretary who is also Secretary to the Agricultural Committee; but the work has now reached a stage in which it is no longer possible to continue this tentative arrangement. A proper unifying agency is necessary to coordinate the work of the three Central Committees and bring into harmony the measures to be undertaken by the Special Departments

concerned with the development of agriculture, commerce and industries and also with general and technical education. A full time officer is moreover required as Secretary for attending to the several important schemes of economic improvement which are being investigated. The District Committees have to be placed on a thorough business footing and enterprise in the taluks and municipalities stimulated by creating Progress Committees. For these reasons Government have decided to appoint a Secretary to the Conference of the rank and status of a Deputy Commissioner for a period of 3 years and have been pleased to select Mr.C.S.Balasundaram Iyer, Offg. Deputy Commissioner, Tumkur District, for the office.

2. The Secretary to the Economic Conference will be Ex-officio Secretary to Government in all matters relating to the Economic Conference. All proposals submitted to Government from the Departments of Education, Agriculture and Commerce and Industries will be dealt with by him. The General and Revenue Secretary will be requested to assign a sufficient number of Clerks and menials from the establishment of the General and Revenue Secretariat for work under the Ex-officio Secretary to Government for Economic Conference,

3. Mr.K.Subba Rao whose services have

have already been of great value in the initial stages of the Conference and who thoroughly understands its requirements, will continue for the present in addition to his duties as Secretary to the Agricultural Committee, to work as Assistant Secretary with his grade pay as Assistant Commissioner and the local allowance of Rs. 100 which he is now drawing. Both the Secretary and the Assistant Secretary will be required to travel systematically through the districts and keep themselves in touch with economic work all over the State.
